

## **NATIONAL ASSOCIATION FOR PERSONS WITH CEREBRAL PALSY (NAPCP)**

**Please note that the amount given will depend on the financial situation of the NAPCP at a given time.**

### **GENERAL**

The NAPCP annually invite its' affiliates to submit applications for individual grants. The forms are circulated early in January every year and the submissions usually close at the end of February. The Grants Committee meet to determine which applicants are successful and what amounts will be allocated. Due to the number of applications received each year, preference is given to smaller amounts for more affordable items per individual application, rather than one single, large amount. In this way more individuals can be assisted.
